By  Deputy

A regular meeting of the Commissioners' Court of Garza County, Texas was held on Monday, January 25, 2010 at 9:00 A.M. at the Commissioners' Courtroom, 300 W. Main St., Post, TX with the following members present: Lee Norman, Judge; Commissioners: Pct. 1-Gary McDaniel, Pct. 2-Charles Morris, Pct. 3-Ted Brannon and Pct. 4-Mike Sanchez.

County officials present: Jim Plummer, Clerk; Mike Munk, Attorney; Judy Bush, Tax Collector/Assessor; and Ruth Ann Young, Treasurer.

Also present: Meg Nelson, Administrative Assistant; John Cox, Attorney; Aubrey Spear and Marsha Reed of the City of Lubbock; Glen Killough, NRCS; Helen Saldana and Tom Middleton of the Garza Soil and Water Conservation District; County citizens Sue Weaver, Billy Weaver, Cecil Staley, Steve Pinkert, Daniel Morrow, Billy Criswell, Glen Brosch and Harry Record; and Rosa Latimer, Post Dispatch.

Judge Norman called the regular meeting to order at 9:00 A.M.

- Order 4: Came on for presentation was the Garza Soil and Water Conservation District (GSWCD) annual report.  
Board member Tom Middleton thanked the court for their support.  
Glen Killough (NRCS) and Helen Saldana (GSWCD) reviewed the submitted report of the district's 2009 activities.  
No action was necessary. (Report is attached.)
- Order 11: Came on for consideration was a road crossing permit for the City of Lubbock's (City) Lake Alan Henry Water Line project.  
John Cox, attorney for Garza County and land owners in Garza County along the City's water pipeline route, provided a draft of the application for permit.  
A motion was made by Commissioner Brannon and seconded by Commissioner Sanchez to approve the draft of the application for permit as presented.  
With a majority of the court members voting aye, the motion carried and so ordered. (The permit application is attached.)

*Discussion Notes: The City of Lubbock requested a permit from the county to cross eight county roads. Later the City asked the County to issue a permit for the first three road crossings. Due to unsettled issues between the City and affected Garza County land owners and the City and Freemantle Energy (operators of the proposed Red Hollow wind farm project), a straw poll of the commissioners showed that the court would not support the request at this time. (City of Lubbock negotiation information attached.)*
